

Addons 3.3.5 Wow Quick Dkp [PORTABLE]

Quick Dkp V2 is an addon for World of Warcraft that aims to handle all aspects of guild DKP management. - If you hover your cursor over the QDKP ... In WoW Classic, you couldn't use chat. It wasn't a problem. Players used a ticket system that included different chat methods: text chat, voice chat, and guild chat. But then when they tried to use guild chat with friends, they found that it was impossible. This meant that you had to use the /tip command to make progress in WoW Classic. With this addon, you no longer have to use /tip. There are two options.
