Features Key:

A Visual NovelRPG style

- A visual novel that has drawn the attention of traditional gamers.

A hand-drawn world with distinct character designs

- Discover the faces and voices of the denizens of the Lands Between.

An endless adventure with limitless possibilities

- Interact with thousands of monsters, 1,000,000 faithedal land destinations, and an entire mythological world that also contains dungeons.

A new action RPG

- Gain recognition in the Lands Between by becoming the Elden King of your home country.
- In this memorable fantasy RPG with a new action role-playing system, experience emotions such as awe and amusement, in the exciting land where the first humans were created.
- Play as the very first hero to take on an unimaginable journey into a mythical fantasy game.

The most enjoyable epic fantasy RPG for the PlayStation®Vita platform, to date.

Stunning graphics and character designs created by Studio Flag, which has created drama-filled animated featurettes as well as drama-filled visual novels.

- Features clear two-dimensional character designs, a vast world, gorgeous hand-drawn graphics, and the feeling of being there.
- Become one with the Elden Ring in a stunning world drenched in atmosphere.

A Distinct Novelty

- An action RPG that combines character-controlled visual novels and a traditional action role-playing game with excellent graphics.
- A saga of the characters in the Lands Between in a grand multilayered story.
 - Gather the courage and power to fully explore an extremely deep fantasy world, filled with an overwhelming number of things to enjoy.
- The new action RPG will keep your captivated with good-looking visuals and entertaining dynamic battles.
- An interactive tale of adventure, a masterpiece that will immerse you in fantasy.
